INTRODUCTION

Whether it's your first time renovating or you're a seasoned professional, Amtico First is ideal for any home improvement project on a budget. Durable and contemporary without breaking the bank, Amtico First will make your finished vision a lasting success.

Harris Timber in Stripwood laying pattern

WHAT IS AMTICO LVT?

Flooring designed with real life in mind.

Put simply, luxury vinyl tile (or LVT) is a popular flooring solution that offers the appearance of real wood or stone, giving an authentic feel in any home environment.

Because it's made with heat compression of several high quality materials, it's extremely hard-wearing and practical, making it perfect for the life that takes place in your home. It can also be laid in different ways, allowing you to bring your unique vision to life.

Starting at our original factory in Coventry, we're proud of our 60 years of British manufacturing expertise. Our craft for manufacturing allows us to carefully create LVT in all kinds of planks, tiles and looks for every space.

COLLECTION OVERVIEW

Versatility made easy with Amtico First.

0.3mm
wear layer

Micro-bevelled
for an authentic
look

Quantum Guard
coating for
durability

First choice for an easier clean.

Water resistant, easy to clean and suitable for underfloor heating, Amtico First flooring is suitable to refresh any room in your home and couldn't be more straightforward to maintain. All you have to do to keep your floor looking fresh is sweep frequently, mop on occasion and enjoy the benefits of a floor that looks authentic, with none of the labour-intensive care.

High quality and affordably priced.

Amtico First, like all of our luxury vinyl tile (LVT) products, is made to give you the best of both design and durability. With micro-bevelled edges for an authentic look and Quantum Guard coating for durability, Amtico First stands up to everyday living, making it a long-lasting and cost-effective choice for your home.

STRIPPING

Finishing a room with First stripping.

Adding finishing touches to planks or creating the appearance of grouted tiles, stripping enhances the authenticity of LVT. Designed for the First collection, our stripping selection helps elevate the look of your floor, adding a premium feel without a heavy price tag.

Wood stripping is cross grain.

Amtico First offers a 15-year warranty. If the house is sold, the warranty is transferable to the next and all subsequent owners, with a limit of 15 years from installation. The warranty means that in the event of 'wear-out' from normal foot traffic, the floor will be repaired free of charge. Wear-out means the removal of the pattern and colour from the Amtico floor caused by the removal of the protective wear layer. Damage caused by stains, spillages, burns, scratches, indentations, floods and any other accidents or abuse, as well as any reduction in the surface gloss due to normal wear and tear, is excluded from the guarantee. Every effort is made to achieve accurate reproduction of products in this brochure; however, printing limitations can be misleading. Selection of products should be made from actual samples. Samples are small pieces cut from standard tiles. They only give a general indication of the design. Tone and shading can vary slightly from batch to batch, and it is not possible to guarantee that the sample will exactly match the material supplied. The policy of the Company is one of continuous development and improvement and the right is reserved to add or delete from the range or change patterns without prior notification. Brochure correct at the time of printing.
